Eagle Edition

- Mar. 1 March PTO meeting 4:00 pm
- Mar. 8 Dine out with NcCo Nosh
- Mar. 15-19 SPRING BREAK – School not in session

McGraw is excited to be part of our schools' **Pennies for Patients** campaign raising money to help find cures for cancer and helping kids in our community diagnosed with leukemia and lymphoma.

Our school-wide goal is to raise **\$2021** by **3/12/2021**. Grade levels will be competing against each other!

Please support our classroom effort in 2 ways:

1. **Help your student collect** coins, paper money and checks payable to LLS. Encourage them to ask friends, family and neighbors. Offer to let them earn money by doing chores or come up with a fundraising idea.
2. **Fill out the coupon on the PARENT NEWSLETTER** when they collect **\$5 OR \$15 – so your child can turn it in to their teacher to get a power ring OR hero band reward.**
3. **Help your student raise funds online:** Last year, we earned the majority of our donations online! Your student can connect to their class to make donations; Classroom teachers will send a link to their individual page for you to make donations to! A parent newsletter will be sent home with your child, which has information on the fundraiser and step-by-step instructions for how to get connected to a class!

*We are almost to our goal of \$2021 and we have one week left to go! Keep sending in your change or go to your class online donation link to contribute. A big shout out to the following students for their hard work so far: **Lexie, in 5th grade** through a Facebook drive was able to raise \$587.05 which is the largest single donation/collection in the seven years we have been doing this! She is committed and showed creativity in how to accomplish her personal goal to raise money for kids with cancer. Other shout outs go to **Dean in 5th grade** who has collected \$260 online and **Mattias in 3rd grade** with \$185 online. Other students who have put in a lot of hard work include:*

Ari and Haddie in kindergarten

Mateo in 1st grade

Harvey in 2nd grade

Torin, Symon, Chelsey and Yasamin in 3rd grade

Jacob and Tristan in 4th

Kriaten, Marco and Ryker in 5th grade
